## Sign-up now for Rossdale Connect!

A SIMPLE, EASY WAY TO KEEP IN TOUCH

You asked us to look at improving community league communications and we've responded. Rossdale Connect is an initiative designed to stream-line and improve communications within the community by sending bulletins to your phone or email. You get community information quicker and we all reduce or eliminate the need for printed, hand-delivered paper-communications.

Personal information will not be shared.

## Parkwood Homes Development - Rossdale Charter Bylaw

---

The City Council public hearing for the Parkwood Homes development will now be on March 31, 2020. The date has been changed from Feb 4 to allow for notification of some late changes to the town homes, which now have reduced the setback from the road.

You can find the bylaw at: [https://www.edmonton.ca/residential\\_neighbourhoods/neighbourhoods/rossdale-planning-applications.aspx](https://www.edmonton.ca/residential_neighbourhoods/neighbourhoods/rossdale-planning-applications.aspx) - click on 10075 98 Avenue Application.

You can attend the Council meeting and address City Council. You must notify the City Clerks office of your attendance. You can also write to City Council through the City Clerks office. If you wish to provide feedback to the Rossdale Community League please email Dan Forest at [dforest@telus.net](mailto:dforest@telus.net) or Lynn Parish at [lynn.parish@shaw.ca](mailto:lynn.parish@shaw.ca).

## ELDOA

---

Experience the best stretch you'll ever have with a one-hour class of ELDOA stretching at Rossdale community Hall.

Certified ELDOA instructor, Pat Barford, takes you through a series of full-body, spinal stretches. Sore back? Sciatica? Tight hip flexors? Computer shoulders? ELDOA can help. Bring a mat and give it try.

7PM Thursdays

\$16.00 per class
