Winter Party

The community hosted a winter party on March 10th. The weather was beautiful and the grill was full of burgers.

Firefighters from our local fire hall came out to say hello and play a few games of street hockey.

A note from the Rossdale executive

A message has been circulating in Rossdale from the group 100 Dogs-Rossdale Off Leash Planning Group.

The Rossdale Community League board would like to address one aspect of the message and confirm that representatives of RCL have NOT been actively campaigning to prevent the application for an off leash park going forward.

April 27th Fire Hall Opening

The Rossdale Community is invited to the opening of the new fire hall. There will be a bbq and activities hosted by the City of Edmonton. An invitation will be delivered with details on the celebration.

Big Bin Event

The City of Edmonton will be hosting Big Bin events again this year. The schedule will be posted on edmonton.ca/programs_services/garbage_waste/big-bin-events.

New kids class at EPL

The EPL offers many classes for kids and adults. they have recently added the Music Makers class at the Enterprise Square branch. Kids 4-6 years participate in action songs, dancing and basic musical concepts. Songs and stories are combined with rhythm instruments.

This is a free program starting April 10th. Visit the EPL website for details.

Renovation Update

Renovation on the hall will be wrapped up in early April, just in time for the upcoming concert series.

Our new hall is brightly lit with pot lights and has been modernized with a new kitchen, toilets, flooring, and fresh coat of paint.

The hardworking members of the renovation subcommittee include: Kelsey, Sharon, Natalie, and Lynn.

This project is funded by grants (Government of Alberta and the City of Edmonton), as well as by casino proceeds.

For details on renting our hall, go to rossdale.ca for the availability calendar and rental form.

Pop up Play

The City of Edmonton offers the Green Shack and Pop up Play program in various playgrounds throughout the summer. Visit edmonton.ca/activities for more information. Due to changes in programming, Rossdale will not be hosting a Pop up Play program this summer, however if there is interest within the community we can look at hiring a facilitator for playground activities. Please indicate your interest by filling-out the "Tell us what you want" field on rossdale.ca.
